Regular Meeting 12-14-15

At the Pizza Factory, Susanville CA. President R. Schrag called the meeting to order at 1823 hrs. There were fifteen regular members and one guest. President Schrag explained that the prior meeting was scheduled but without enough members present to conduct club business it was called an informal meeting.

Secretary J. Wages reported on the informal meeting which the forming of a High School Trap Club and the interest of the Archery Club in utilizing the range.

Treasurer D. Oberg gave his report and it was approved by Aye vote.

Old Business:

P. Giusti reports of the High School Trap Club has 12 members with more waiting to join. Next year will have a Varsity and a JV team. The season starts March 1st through June. They only have two experienced shooters and practice is needed. Possibly on afternoons and on weekends. Four persons went to Stockton to attend Instructors School.

Sam Rickett talked about the Shattered Nocks, an Archery Club who wish to utilize the range. He brought a map of what he has proposed showing 24 target stations and wants to expand to 42 targets. This is a walking range. Persons wishing to use this range would have to buy a membership in the club. Their goals are regular shoots, annual and possible bi-annual. No money is involved in these shoots.

They would hold a minimum of four shoots per year with a summer league in June and July. Their requirements would be a minimal walking trail to each target and a conex placed nearby. They are a non-profit club. They have been unable to find any other satisfactory site. The request for construction was motioned and approved by Aye vote.

D. Armentrout reports on meeting with BLM and Fish & Game. Person in charge of leases was impressed with the range work especially the walkway to 100 yards.
